ORTHOPEDIATRICS CORP.

to be held June 14, 2023

INTRODUCTION

The Board of Directors of OrthoPediatics Corp. is soliciting proxies from stockholders for its use at the 2023 annual meeting of stockholders, and at any adjournment or adjournments of that meeting. The annual meeting is scheduled to be held on June 14, 2023, at 11:30 a.m., Eastern Time, at The St. Louis Club, 7676 Forsyth Blvd., St. Louis, Missouri 63105.

To improve readability, OrthoPediatics Corp., which has prepared this proxy statement, will sometimes speak in this document in the first-person (using words such as “we” or “our” or “us”) and will address its stockholders using second-person words (such as “you” or “your”). We will also sometimes refer to OrthoPediatics Corp., as “the Company.” References to the Board of Directors of the Company in this proxy statement will usually be shortened to “our Board.” References to our “Proxy Committee” will refer to David R. Bailey and Bryan W. Hughes, who are designated by the proxy cards that accompany this proxy statement as being the persons who are authorized to vote at the annual meeting those shares that are owned of record by stockholders that sign and return such proxy cards.

This proxy statement relates to the solicitation of proxies by our Board of Directors for use at the annual meeting.

On or about May 5, 2023, we will commence sending the Important Notice Regarding the Availability of Proxy Materials to all stockholders entitled to vote at the annual meeting.

INFORMATION ABOUT THE MEETING AND VOTING

Purposes of the Meeting

The purposes of the annual meeting are:

1. To elect four (4) directors, each to serve until the 2026 annual meeting of our stockholders;
2. To approve, on an advisory basis, the compensation of our executive officers who are named in the compensation disclosures in this Proxy Statement;
3. To advise on the frequency of the advisory vote on executive compensation;

4. To approve, on an advisory basis, the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2023; and
5. To transact such other business as may properly come before the meeting.

Stockholders Entitled to Vote at the Meeting

Our Board has established the close of business on April 24, 2023 as the “record date” for this annual meeting. This means that you are entitled to vote at this meeting (and any adjournments) if our records show that you owned our Common Shares at that time. As of this record date, 23,283,752 of our common shares were issued and outstanding, held by approximately 230 registered stockholders of record. Each issued and outstanding Common Share as of the record date is entitled to one vote on each matter properly to come before the annual meeting and can be voted only if the record owner of that share, determined as of the record date, is present in person at the meeting or represented by proxy.

Voting Shares By Proxy That You Hold In Your Name

You have two choices:

- 1 VOTE BY INTERNET - <http://www.investorvote.com/KIDS>. Use the Internet to transmit your voting instructions up until 1:00 A.M. Eastern Time on June 14, 2023. Have the Notice in hand when you access the website. Follow the steps outlined on the secured website.
- 2 VOTE BY MAIL – If you requested and received a proxy card by mail, mark, sign and date your proxy card and return it in the postage-paid envelope we will provide or mail it to Proxy Services, c/o Computershare Investor Services, PO Box 43102, Providence, RI 02940-5068.

Voting Shares That You Hold in Brokerage or Similar Accounts

Many stockholders hold their shares through a stockbroker, bank, or other nominee rather than directly in their own name. If you hold your shares in one of these ways, you are considered a beneficial owner, not a record owner, and you therefore have no direct vote on any matter to come before the annual meeting. Your broker, bank, or nominee will send you voting instructions for you to use in directing the broker, bank or nominee in how to vote your shares. Your broker, bank or nominee may allow you to deliver your voting instructions via the telephone or the Internet.

If you hold your shares through a broker and you do not timely provide your broker with specific instructions on how to vote your shares, your broker will not be authorized to cast a vote on your behalf on Proposals 1 through 4. In such cases, a “broker non-vote” may be entered with respect to your shares on Proposals 1 through 4 to reflect that your broker was present with respect to your shares at the meeting but was not exercising voting rights on your behalf with respect to those shares.

Your Voting Options on Each of the Proposals

You may vote “for” or “withhold” (meaning you choose to withhold from our Proxy Committee your authority to vote) with respect to the election of each nominee for director (Proposal 1 on the proxy card).

You may vote “for,” “against” or “abstain” with respect to:

- the nonbinding advisory proposal on the compensation of our named executive officers (Proposal 2 on the proxy card); and
- the nonbinding advisory proposal on the approval of the appointment of Deloitte & Touche LLP (Proposal 4 on the proxy card).

You may vote “for” any of the following frequencies (or you may abstain from voting) as to the nonbinding advisory vote on the frequency of the advisory vote on executive compensation (Proposal 3 on the proxy card):

- every third year (“3 Years.” on the proxy card)
- every other year (“2 Years.” on the proxy card); or
- every year (“1 Year.” on the proxy card).

If any other matter is presented at the annual meeting, your proxy provides that your shares will be voted by the Proxy Committee in accordance with their best judgment. At the time this proxy statement was first made available, we knew of no matters that needed to be acted on at the annual meeting, other than those discussed in this proxy statement.

Our Board’s Voting Recommendations

Our Board recommends that you vote:

- **FOR** the election as directors of the four individuals named as its nominees in this proxy statement (Proposal 1 on the proxy card);
- **FOR** the approval, on an advisory basis, of the compensation of our Executive Officers who are named in the compensation disclosures in this proxy statement (Proposal 2 on the proxy card);
- **FOR** the “every third year” (“3 Years.” on the proxy card) choice, on an advisory basis, as to the frequency of the advisory vote on executive compensation (Proposal 3 on the proxy card); and
- **FOR** the approval, on an advisory basis, of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2023 (Proposal 4 on the proxy card).

If any other matter is properly brought before the annual meeting, the Company – through the individuals named in the proxy and acting as our “Proxy Committee,” or their designees, and pursuant to the blanket authorization granted under the proxy – will vote your shares on that matter in accordance with the discretion and judgment of the Proxy Committee.

Required Votes to Approve Each Proposal

Four positions on our Board are scheduled to be filled by vote of the stockholders at the annual meeting. As a stockholder, you are entitled to cast one vote per share for each of up to four nominees for election as directors at the annual meeting, but you may not cumulate your votes (in other words, you may not cast votes representing four times the number of your shares entitled to vote in favor of a single nominee). Directors are elected from among the nominees by a plurality of the votes that are cast among all nominees; this means the individuals whose names are validly placed into nomination at the meeting who receive the four highest number of votes cast “for” their election will be elected as directors of the Company. A properly returned proxy indicating “withhold” with respect to the election of one or more directors will not be voted with respect to the director or directors indicated. “Broker non-votes” will not be counted as votes cast on the proposal and will have no effect on the election of directors.

A majority of the votes cast at the meeting will approve: (i) the proposal to approve, on an advisory basis, the compensation of our named executive officers; (ii) the proposal to approve, on an advisory basis, the appointment of Deloitte & Touche LLP; and (iii) all other matters that arise at the annual meeting. Shares voted “for” the proposal and shares represented by returned proxies that do not contain instructions to vote against the proposal or to abstain from voting will be counted as shares cast for the approval of the proposal. Abstentions and broker non-votes will not be treated as votes cast “for” or “against” the proposal but shall be included for purposes of determining whether a quorum is present.

With respect to the advisory vote on the frequency of future advisory votes on executive compensation, the alternative receiving the greatest number of votes (every year, every other year, or every third year) will be deemed to be the frequency that stockholders approve.

Please note, however, that because the votes on the compensation of our named executive officers, the frequency of future votes on executive compensation, and the appointment of Deloitte & Touche LLP are each advisory in nature, the results of such votes will not be binding upon our Board or its committees.

Quorum

Delaware law provides that any stockholder action at a meeting requires that a quorum exist with respect to that meeting. Once a share is represented for any purpose at a meeting, it is deemed by Delaware law to be present for quorum purposes for the remainder of the meeting and (unless a new record date is or must be set for any such adjournment) any adjournment of that meeting.

A majority of the common shares entitled to vote at this meeting, present either in person or by proxy, will constitute a quorum for all purposes at the meeting. If a quorum should not be present, the annual meeting may be adjourned from time to time until a quorum is obtained.

Shares held of record by stockholders who (in person or by proxy) abstain from voting on any or all proposals (and shares represented by “broker non-votes,” described above under “Voting Shares That You Hold in Brokerage or Similar Accounts”) will be included in the number of shares present at the meeting for purposes of determining the presence of a quorum. However, abstentions and broker non-votes as to any proposal will not be considered to be votes that have been “cast” on that proposal and therefore will not affect the outcome of the vote on any proposals described by this proxy statement.

Voting on Possible Other Matters

We are not aware that any person intends to propose that any matter, other than the two numbered proposals specifically described by this proxy statement, be presented for consideration or action by our stockholders at our annual meeting. If any such other matter should properly come before the meeting, however, favorable action on such matter would generally require the affirmative vote of a majority of the votes cast, unless our certificate of incorporation or bylaws or applicable law require otherwise. If you vote by proxy, you will be granting our Proxy Committee authority to vote your shares on any such other matter in accordance with their discretion and judgment.

Revocation of Proxies or Voting Instructions

A stockholder of record who has delivered a proxy card in response to this solicitation may revoke it before it is exercised at the annual meeting by executing and delivering a timely and valid later-dated proxy, by voting by ballot at the meeting or by giving written notice to the Secretary. If a stockholder of record has voted via the Internet, such stockholder may also change that vote with a timely and valid later Internet vote or by voting at the meeting by ballot. Attendance at the meeting will not have the effect of revoking a proxy unless a stockholder gives proper written notice of revocation to the Secretary before the proxy is exercised or the stockholder votes by ballot at the meeting. Beneficial owners who have directed their broker, bank or nominee as to how to vote their shares should contact their broker, bank or nominee for instructions as to how they may revoke or change those voting directions.

Solicitation of Proxies

Our Board is making this solicitation of proxies for our annual meeting. Our Company will bear all costs of such solicitation, including the cost of preparing and distributing this proxy statement and the enclosed form of proxy. After the initial distribution of this proxy statement, proxies may be solicited by mail, telephone, facsimile transmission or personally by directors, officers, employees or agents of the Company. Brokerage houses and other custodians, nominees and fiduciaries will be requested to forward soliciting materials to beneficial owners of shares held by them for the accounts of beneficial owners, and we will pay their reasonable out-of-pocket expenses.

Smaller Reporting Company

We are a "smaller reporting company" under applicable federal securities laws, and as permitted under the JOBS Act, we have scaled down our disclosures on executive compensation to omit compensation discussion and analysis and certain other disclosures that would otherwise be required in a proxy statement on Schedule 14A.

**PROPOSAL 1
ELECTION OF DIRECTORS**

Our Board currently consists of eleven (11) directors who are divided into three classes. Nine (9) of those directors were members of our Board at the conclusion of the 2022 annual meeting of stockholders, with Stephen F. Burns and Kevin L. Unger representing the two (2) departures. Mr. Burns retired from the Board effective October 18, 2022, at which time, Jimmy D. McDonald was appointed to fill the resulting vacancy for a term expiring at the annual meeting of stockholders in 2024. Mr. Unger resigned from the Board effective April 28, 2023, at which time, George S. M. Dyer, MD, was appointed to fill the resulting vacancy for a term expiring at this annual meeting of stockholders. Neither the retirement of Mr. Burns nor the resignation of Mr. Unger was the result of any disagreement with the Company. Directors in each class serve a three-year term. The terms of each class expire at successive annual meetings so that the stockholders elect one class of directors at each annual meeting. Pursuant to that certain Stockholders' Agreement, dated October 16, 2017, between Squadron Capital LLC ("Squadron") and the Company (the "Stockholders' Agreement"), Squadron has caused the Company to nominate three (3) individuals to serve as directors. The persons nominated by Squadron are designated as "Squadron Directors" below. The current classification of our Board is:

Terms expiring at this annual meeting:	George S. M. Dyer, David R. Pelizzon (Squadron Director), Harald Ruf (Squadron Director) and Terry D. Schlotterback
Terms expiring at the 2024 annual meeting:	David R. Bailey, Marie C. Infante (Squadron Director) and Jimmy D. McDonald
Terms expiring at the 2025 annual meeting:	Fred L. Hite, Bryan W. Hughes, Samuel D. Riccitelli and Mark C. Throdahl

Our Board, on the recommendation of its Corporate Governance Committee, has nominated Dr. Dyer for election and Mr. Pelizzon, Mr. Ruf, and Mr. Schlotterback for election at this year's annual meeting. If elected, each of these four nominees will serve on our Board until the 2026 annual meeting, or until his successor is duly elected and qualified in accordance with the Company's bylaws. If any of these nominees should become unable to accept election, our Proxy Committee may vote for other person(s) selected by our Board. Our Board has no reason to believe that any of the nominees will be unable to accept election.

Below is certain information concerning our Board's nominees for election at this year's annual meeting, followed by information concerning those Board members who are not standing for election this year and whose term of office will continue after the annual meeting. The biographies of each of the nominees and continuing directors below contain information regarding the experiences, qualifications, attributes or skills that caused the Corporate Governance Committee and our Board to determine that the person should be elected (or should continue to serve even if not standing for election) as a director for the Company in 2023.

Following the director biographies is information concerning our corporate governance structure, including descriptions of the standing committees of our Board, namely our Audit, Compensation and Corporate Governance Committees. The directors serving on each committee are listed in the descriptions below. Our directors may also serve on other committees of our Board and the board of directors of the Company's subsidiaries that are not required to be described by this proxy statement and which are therefore not identified in the information below.

Elsewhere in this proxy statement you will find information concerning the numbers of our common shares that are beneficially owned by each of our directors (see "SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT") and information regarding the compensation of our directors (see "EXECUTIVE AND DIRECTOR COMPENSATION"). We urge you to review all of this information when deciding how to vote on Proposal 1.

Our Board recommends that you vote FOR all four of the nominees named below.

The following persons have been nominated for election to the Board:

Oversight of Environmental, Social and Governance ("ESG") Matters

OrthoPediatrics was founded on the cause of impacting the lives of children with orthopedic conditions. Since inception we have impacted the lives of over 630,000 children when including those served by our acquired companies. We believe we should continue to expand our social efforts while minimizing our impact to the environment and ensuring corporate governance. In 2021, we created an internal ESG team, which reports directly to our Board's Governance Committee, to identify ESG topics for disclosure by assessing both the impact on our business and the importance to our stakeholders. For 2022, this ESG team accomplished a significant milestone by issuing the first ever ESG summary report.

We encourage you to review our ESG page and summary report which can be found under the "About" section of our corporate website for more detailed information regarding our ESG efforts and current initiatives. On our website, among other information, are the following highlights:

- OrthoPediatrics cares about our environmental impact while working in a highly regulated industry and we are certified according to ISO 13485.
- The Company and its associates regularly participate in philanthropic causes important to our local communities. We also partner with charitable organizations that provide pediatric orthopedic care around the world. In 2020 we were named as "Corporate Partner of the Year" by the World Pediatric Project - with whom we continue to work to provide access to medical care for children in developing countries.
- We are committed to fostering an environment that is respectful, compassionate, and inclusive of everyone in our community. We have been named as one of the Best Places to Work in Indiana for the seventh year.
- The Company and its Board of Directors understand the value of diversity. Since the conclusion of our 2022 annual meeting of stockholders, the Company has added two diverse Directors to our Board.

We believe effectively managing our priorities, as well as increasing our transparency related to ESG programs, will help create long-term value for our stakeholders. We expect to continue to increase our disclosures and communicate our ESG efforts in future SEC filings.

Board Leadership Structure

Our Board is currently led by its Executive Chairman, Mr. Throdahl. Our Board recognizes that it is important to determine an optimal board leadership structure to ensure the independent oversight of management as the Company continues to grow. We separate the roles of Chief Executive Officer and Executive Chairman of the Board in recognition of the differences between the two roles. The Chief Executive Officer is responsible for setting the strategic direction for the Company and the day-to-day leadership and performance of the Company, while the Executive Chairman provides guidance to the Chief Executive Officer and presides over meetings of the full Board. We believe this separation of responsibilities provides a balanced approach to managing the Board and overseeing the Company. Additionally, the Board appointed Mr. Schlotterback, the Board's former Chairman, to serve as Lead Independent Director. In light of the Executive Chairman's extensive history with and knowledge of the Company, and because of the role of the Lead Independent Director in the Board's leadership and in reinforcing its independence, the Board believes that it is advantageous for the Company to have Mr. Throdahl serve as Executive Chairman.

The Lead Independent Director is empowered to, among other duties and responsibilities, assist the Board of Directors in assuring effective corporate governance and to serve as chairperson of meetings of the independent directors that are held without the presence of any directors who may at that time be deemed not to be independent. As a result, while the Company's Corporate Governance Guidelines do not require a Lead Independent Director, the

Board believes that, at this time, the Lead Independent Director can help ensure the effective independent functioning of the Board in its oversight responsibilities.

While our Board has concluded that the current leadership structure is appropriate at this time, it will continue to periodically review its leadership structure and will make such changes in the future as it deems appropriate.

Director Independence

Our Board of Directors currently consists of eleven (11) members. Our Board has determined that Dr. Dyer, Mr. Hughes, Ms. Infante, Mr. McDonald, Mr. Riccitelli, and Mr. Schlotterback are independent directors in accordance with the listing requirements of the Nasdaq Global Market ("Nasdaq"). The Nasdaq independence definition includes a series of objective tests, including that the director is not, and has not been for at least three years, one of our employees and that neither the director nor any of his or her family members has engaged in various types of business dealings with us. In addition, as required by Nasdaq rules, our Board has made a subjective determination as to each independent director that no relationships exist, which, in the opinion of our Board, would interfere with his or her exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, our Board reviewed and discussed information provided by the directors and us with regard to each director's business and personal activities and relationships as they may relate to us and our management. There are no family relationships among any of our directors or executive officers.

Role of Board in Risk Oversight Process

Our Board has responsibility for the oversight of the Company's risk management processes and, either as a whole or through its committees, regularly discusses with management our major risk exposures, their potential impact on our business and the steps we take to manage them. The risk oversight process includes receiving regular reports from Board committees and members of senior management to enable our Board to understand the Company's risk identification, risk management and risk mitigation strategies with respect to areas of potential material risk, including operations, finance, legal, regulatory, strategic and reputational risk.

The Audit Committee reviews information regarding liquidity and operations and oversees our management of financial risks. Periodically, the Audit Committee reviews our policies with respect to risk assessment, risk management, loss prevention and regulatory compliance. Oversight by the Audit Committee includes direct communication with our external auditors and discussions with management regarding significant risk exposures and the actions management has taken to limit, monitor or control such exposures. The Compensation Committee is responsible for assessing whether any of our compensation policies or programs has the potential to encourage excessive risk-taking. The Corporate Governance Committee manages risks associated with the independence of the Board, corporate disclosure practices, and potential conflicts of interest. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board is regularly informed through committee reports about such risks. Matters of significant strategic risk are considered by our Board as a whole.

The Company's management also keeps our Board informed of cybersecurity developments by providing periodic updates on preventive measures being taken to avoid attacks. As the Company reviews and updates its cybersecurity plans and policies over time, it will continue to take the steps necessary to ensure effective Board oversight of this area and will provide disclosures relating to such oversight that are consistent with the SEC's regulations and guidance.

In addition, the Corporate Governance Committee is responsible for overseeing our corporate governance policies and reporting and making recommendations to our Board concerning governance matters.

In 2021, we created an internal ESG team, which reports directly to the Corporate Governance Committee, to identify ESG topics for disclosure by assessing both the impact on our businesses and the importance to our stakeholders. For 2022, this ESG team accomplished a significant milestone by issuing the first ever ESG summary report.

The committee does not make any particular weighting of diversity or any other characteristic in evaluating nominees and directors.

Narrative Disclosure to Summary Compensation Table

Base Salaries

The named executive officers receive a base salary pursuant to their employment agreements to compensate them for services rendered to us. The base salary payable to each named executive officer is intended to provide a fixed component of compensation reflecting the executive's skill set, experience, role and responsibilities.

The 2022 base salaries actually paid to our named executive officers are disclosed in the Summary Compensation Table above. We expect that base salaries for the named executive officers will be reviewed periodically by the Compensation Committee, with adjustments expected to be made generally in accordance with the considerations described above and to maintain base salaries at competitive levels.

Annual Bonus

Each of our named executive officers participated in our 2022 bonus plan pursuant to which each was eligible to receive a bonus based equally on our achievement of specified sales, adjusted EBITDA and Company objectives, as established by the Compensation Committee. For 2022, target bonuses were equal to 50% of each executive's annual base salary paid in 2022.

The actual annual cash bonuses paid for performance in 2022 are set forth in the Summary Compensation Table above in the column titled "Non-Equity Incentive Plan Compensation" and reflect achievement of 75.3% of the annual performance goals. We expect target bonus levels for our named executive officers to be at 50% to 75% of base salary under our 2023 bonus plan.

Equity Compensation

Although we do not have a formal policy with respect to the grant of equity incentive awards to our executive officers or any formal equity ownership guidelines applicable to them, we believe that equity grants provide our executives with a strong link to our long-term performance, create an ownership culture and help to align the interests of our executives and our stockholders. Accordingly, our Board granted restricted stock to our named executive officers in 2022, as set forth in the table below.

2022 Restricted Stock	
David R. Bailey	15,091
Fred L. Hite	14,836
Gregory A. Odle	12,364
Daniel J. Gerritzen	12,000
Joseph W. Hauser	12,000

Other Elements of Compensation

Retirement Plans. We maintain a 401(k) retirement savings plan for our employees, including our named executive officers, who satisfy certain eligibility requirements. Our named executive officers have participated, and we expect that they will continue to be eligible to participate, in the 401(k) plan on the same terms as other full-time employees. For all years presented we matched our employees' 401(k) contributions by up to 4% of their annual salary.

Health/Welfare Plans. All of our full-time employees, including our named executive officers, are eligible to participate in our health and welfare plans, including:

- medical, dental and vision benefits;
- short-term and long-term disability insurance; and
- life insurance.

We believe the perquisites described above are necessary and appropriate to provide a competitive compensation package to our named executive officers.

No Tax Gross-Ups

We do not make gross-up payments to cover our named executive officers' personal income taxes that may pertain to any of the compensation or perquisites paid or provided by us.

Pay Versus Performance

The following table and graphs provide information required under the SEC's "pay versus performance" rules over the last two years as required by Section 953(a) of the Dodd-Frank Wall Street Reform and Consumer Protection Act and Item 402(v) of Regulation S-K. The graphs below show the relationship of "compensation actually paid" to our principal executive officer ("PEO") (of which there were two in 2021) and other named executive officers ("NEO") in 2021 and 2022.

(1) Amounts in columns (b) reflect the "Summary Compensation Table" totals for our principal executive officers. For the years reported in the table, David R. Bailey was our PEO from June 3, 2021 to December 31, 2022, and Mark C. Throdahl was our PEO from January 1, 2021 to June 2, 2021. The amounts reported in column (d) reflect the average "Summary Compensation Table" totals for our remaining named executive officers for the relevant fiscal year, which includes the following individuals: Fred L. Hite, Gregory A. Odle, Daniel J. Gerritzen and Joseph W. Hauser for each such year.

(2) "Compensation actually paid" reflects the amounts set forth within the "Summary compensation table total for PEO" and "Average summary compensation table total for non-PEO named executive officers" columns of the table above, each adjusted in accordance with SEC rules. Amounts added and deducted, on an item-by-item basis, to calculate the compensation actually paid for each fiscal year are included in the table below.

(3) Amounts reported for net income and Adjusted EBITDA are in thousands.

(4) The Company-Selected Measure is Adjusted EBITDA. Adjusted EBITDA in the table above represents net loss, plus interest expense, net plus other expense, provision for income taxes (benefit), depreciation and amortization, trademark impairment, stock-based compensation expense, fair value adjustment of contingent consideration, acquisition related costs, nonrecurring professional fees, accrued legal settlements costs, and the cost of minimum purchase commitments. Adjusted EBITDA is a non-GAAP financial measure.

Employment Agreements

Each of our named executive officers is party to a substantially similar employment agreement with the Company. The employment agreements provide for (i) a base salary; (ii) participation in our annual bonus plan and (iii) employee benefits and fringe benefits generally made available to all of our employees. With the exception of Mr. Hauser, each of our named executive officer's agreements have one-year terms that are subject to annual renewal. The employment agreement for Mr. Hauser will expire in March 2024 and provides for one-year renewal terms thereafter. The employment agreements also provide for the reimbursement of all reasonable business expenses incurred by a named executive officer on our behalf.

The employment agreements contain customary confidentiality, invention assignment and non-competition covenants. The non-competition covenant restricts our named executive officers during their respective employment term and for a period of one-year thereafter from soliciting our customers or employees and from competing with us anywhere where we or the named executive officer conducted business during the 12-month period immediately preceding such executive's termination.

Subject to continued compliance with the restrictive covenants and execution and non-revocation of a general release of claims in favor of us, the employment agreements also provide for certain severance payments and benefits if the executive's employment is terminated by us without "cause" or by the executive for "good reason" (each, as defined in the applicable agreement). In any such event, each executive is entitled to receive:

- 12 months of the executive's annual base salary then in effect, payable in 12 substantially equal monthly installments;
- a lump-sum payment in the amount equal to any unpaid bonus that was earned by the executive in any fiscal year ending prior to his termination;
- a lump-sum payment equal to the pro-rated value of any bonus earned upon the satisfaction of pre-established performance objectives, payable in the year following the year in which the services were performed when such bonuses are normally paid to employees; and
- up to 12 months of company-subsidized healthcare continuation coverage for the executive and his dependents.

Equity Incentive Plans

2007 Equity Incentive Plan

Prior to the completion of our initial public offering, we maintained an Amended and Restated 2007 Equity Incentive Plan (the "2007 Plan") that provided for grants of options and restricted stock to employees, directors and associated third-party representatives of the Company. The 2007 Plan was originally adopted by our Board and approved by our stockholders in November 2007. The 2007 Plan was subsequently amended in March 2008 and amended and restated in December 2012 and again in April 2014. The 2012 amendment and restatement was approved by our stockholders in December 2012.

While we ceased making further awards under the 2007 Plan following the date the 2017 Plan became effective, any outstanding awards granted under the 2007 Plan will remain outstanding, subject to the terms of our 2007 Plan and award agreements, until such outstanding awards vest and are exercised (as applicable) or until they terminate or expire by their terms.

2017 Incentive Award Plan

Immediately prior to our initial public offering, a new incentive award plan, the 2017 Plan, was adopted, the material terms of which are summarized below.

Limitation on Awards and Shares Available. The aggregate number of shares of our common stock available for issuance pursuant to awards granted under the 2017 Plan is 226,011. Shares granted under the 2017 Plan may consist of authorized but unissued shares or shares purchased in the open market. If an award under the 2017 Plan is forfeited, expires, is converted to shares of another person in connection with certain corporate transactions or is settled for cash (including shares of restricted stock that are repurchased by us during the restricted period applicable to such shares at the same price paid by the holder), any shares subject to such award may, to the extent of such forfeiture, expiration or cash settlement, be used again for new grants under the 2017 Plan. The following shares will not be added back to the shares available for grant under the 2017 Plan:

- shares tendered by a holder or withheld by us in payment of the exercise price of an option granted under the 2017 Plan;
- shares tendered by the holder or withheld by us to satisfy any tax withholding obligation with respect to an award granted under the 2017 Plan;
- shares subject to a stock appreciation right, or SAR, granted under the 2017 Plan that are not issued in connection with the stock settlement of the SAR on exercise thereof; and
- shares that we purchase on the open market with the cash proceeds received from the exercise of options granted under the 2017 Plan.

Awards granted under the 2017 Plan upon the assumption of, or in substitution for, awards authorized or outstanding under a qualifying equity plan maintained by an entity with which we enter into a merger or similar corporate transaction will not reduce the shares available for grant under the 2017 Plan; provided, that awards using such authorized shares will not be made after the date awards or grants could have been made under the terms of the pre-existing plan, absent the acquisition or combination, and will only be made to individuals who were not employed by or providing services to us or our subsidiaries immediately prior to such transaction. The maximum number of shares of our common stock that may be subject to one or more awards granted pursuant to the 2017 Plan to any one participant during any calendar year will be 1,000,000, and the maximum amount that may be paid under a cash award pursuant to the 2017 Plan to any one participant during any calendar year period will be \$5.0 million. In addition, the sum of the grant date fair value of equity-based awards and the amount of any cash-based awards granted to any non-employee director during any calendar year will not exceed \$300,000.

Administration. The 2017 Plan is administered by our Board with respect to awards to non-employee directors and by our Compensation Committee with respect to other participants, each of which may delegate its duties and responsibilities to committees of our directors and/or officers, subject to certain limitations that may be imposed under Section 162(m) of the Code, Section 16 of the Exchange Act and/or stock exchange rules, as applicable. We refer to our board of directors or such committee, in such capacity, as the plan administrator. The plan administrator will have the authority to make all determinations and interpretations under, prescribe all forms for use with and adopt rules for the administration of the 2017 Plan, subject to its express terms and conditions. The plan administrator will also set the terms and conditions of all awards under the 2017 Plan, including any vesting and vesting acceleration conditions, repurchase provisions, forfeiture provisions, form of payment and any performance criteria.

Eligibility. Awards other than incentive stock options, or ISOs, may be granted to any of our or our subsidiaries' officers, employees, consultants or directors. Only officers and employees of us or our subsidiary corporations may be granted ISOs under Section 422 of the Code.

Awards. The 2017 Plan provides that the plan administrator may grant or issue options, including ISOs, non-qualified stock options, or NSOs, SARs, restricted stock, restricted stock units, or RSUs, dividend equivalents and other stock- and cash-based awards to eligible participants. Awards other than cash awards will generally be settled in shares of our common stock, but the plan administrator may provide for the cash settlement of any award. Each award will be evidenced by an award agreement, which will detail all terms and conditions of the awards, including any applicable vesting and payment terms, post-termination exercise limitations and, in the case of options, will be designated as either an ISO or NSO. A brief description of each award type follows.

- *Stock Options.* Stock options provide for the purchase of shares of our common stock in the future at an exercise price set on the grant date. The 2017 Plan provides for the grant of ISOs under the federal tax laws or NSOs. ISOs may be granted only to employees, while NSOs may be granted to employees, directors or consultants. The term of a stock option may not be longer than ten years (or five years in the case of ISOs granted to certain significant stockholders). The exercise price of options will be determined by the plan administrator; provided, that the exercise price of a stock option may not be less than 100% of the fair market value of the underlying share on the date of grant (or 110% in the case of ISOs granted to certain significant stockholders), except with respect to certain substitute options granted in connection with a corporate transaction. Vesting conditions determined by the plan administrator may apply to stock options and may include continued service, performance goals and/or other conditions.
- *Stock Appreciation Rights.* SARs entitle their holder, upon the exercise thereof, to receive from us an amount equal to the difference between the fair market value of the shares subject to the SAR on the exercise date and the exercise price of the SAR. Each SAR will be governed by a SAR agreement and may be granted separately or in connection with stock options or other awards. The exercise price of a SAR may not be less than 100% of the fair market value of the underlying share on the date of grant (except with respect to certain substitute SARs granted in connection with a corporate transaction) and the term of a SAR may not be longer than ten years. Vesting conditions

determined by the plan administrator may apply to SARs and may include continued service, performance goals and/or other conditions.

- *Restricted Stock and Restricted Stock Units.* Restricted stock is an award of nontransferable shares of our common stock that remains forfeitable unless and until specified conditions are met, and which may be subject to a purchase price. RSUs are contractual promises to deliver shares of our common stock in the future, which may also remain forfeitable unless and until specified conditions are met. Delivery of the shares underlying RSUs may be deferred under the terms of the award or at the election of the participant, if the plan administrator permits such a deferral. Vesting conditions applicable to restricted stock and RSUs may be based on continued service, performance goals and/or other conditions. Holders of restricted stock, unlike recipients of other equity awards, will have both voting rights and the right to receive dividends, if any, prior to the time when the restrictions lapse, subject to the prohibition on paying dividends with respect to unvested awards described below.
- *Dividend Equivalents.* Dividend equivalents represent the right to receive the equivalent value of the dividends, if any, per share paid by us on shares of our common stock, and may be granted separately or in connection with awards other than stock options or SARs. Dividend equivalents are credited as of dividend payment dates during the period between the date an award is granted (or such other dates as may be determined by the plan administrator) and the date such award vests, is exercised, is distributed or expires, as determined by the plan administrator. No dividend equivalents will be payable with respect to stock options or SARs.
- *Other Stock or Cash-Based Awards.* Subject to the provisions of the 2017 Plan, the plan administrator shall determine the terms and conditions of each other stock- or cash-based award, including the term of the award, any exercise or purchase price, performance goals, transfer restrictions, vesting conditions and other terms and conditions. Other stock- or cash-based awards may be paid in cash, shares of our common stock or a combination thereof, as determined by the plan administrator, and may be available as a form of payment in the settlement of other awards granted under the 2017 Plan, as stand-alone payments, as a part of a bonus, deferred bonus, deferred compensation or other arrangement and/or as payment in lieu of compensation to which an individual is otherwise entitled.

Dividends and Dividend Equivalent Payments on Unvested Performance-Based Awards. No dividends or dividend equivalents with respect to an unvested award, or portion thereof, with performance-based vesting will be paid until the applicable performance-based vesting conditions are subsequently satisfied and the award vests, and any dividends or dividend equivalents with respect to the portion of an award that does not vest shall be forfeited.

Transferability of Awards. Awards are transferable only by will, the laws of descent and distribution and, to the extent authorized by the plan administrator, to certain permitted transferees, including members of the participant's immediate family. The participant may also designate one or more beneficiaries in the event of death on a designated form provided by the plan administrator.

Changes in Capitalization; Corporate Transactions. In the event of certain transactions and events affecting our common stock, such as stock dividends, stock splits, mergers, acquisitions, consolidations and other corporate transactions, the plan administrator has broad discretion to take action under the 2017 Plan, as well as make adjustments to the terms and conditions of existing and future awards, in order to prevent the dilution or enlargement of intended benefits and to facilitate such transactions or events, including providing for the cash-out, assumption, substitution, accelerated vesting or termination of awards. In addition, in the event of certain non-reciprocal transactions with our stockholders, known as "equity restructurings," the plan administrator will make equitable adjustments to the 2017 Plan and outstanding awards.

Change in Control. In the event of a change in control of our Company (as defined in the 2017 Plan), all outstanding equity awards will become fully vested and, as applicable, exercisable, and all forfeiture, repurchase and other restrictions on such awards will lapse immediately prior to such change in control.

Foreign Participants, Claw-Back Provisions and Participant Payments. The plan administrator may modify award terms, establish sub-plans and/or adjust other terms and conditions of awards, subject to the share limits described above, in order to facilitate grants of awards subject to the laws and/or stock exchange rules of countries outside of the United States. All awards will be subject to the provisions of any clawback policy that we may implement the extent set forth in such policy and/or the applicable award agreement. With regard to tax withholding, exercise price and purchase price obligations arising in connection with awards under the 2017 Plan, the plan administrator may, in its discretion, accept cash or check, shares of our common stock that meet specified conditions, a “market sell order” or such other consideration as it deems suitable.

Amendment; Termination. Our Board may amend, suspend or terminate the 2017 Plan at any time, provided that, subject to certain exceptions set forth therein, no amendment, suspension or termination will, without the consent of the holder, materially adversely affect any rights or obligations under any award previously granted, unless the award itself otherwise expressly so provides. In addition, except in connection with certain changes in our capital structure, stockholder approval will be required for any amendment that increases the number of shares available under the 2017 Plan, increases the award or director limits under the 2017 Plan, “reprices” any stock option or SAR, or cancels any stock option or SAR in exchange for cash or another award when the per share price of the option or SAR exceeds the fair market value of the underlying shares. Furthermore, except in connection with certain corporate transactions, stockholder approval is required to amend the terms of outstanding stock options or SARs to reduce the per share exercise price or to cancel outstanding stock options or SARs in exchange for cash, other awards or stock options or SARs with a per share exercise price that is less than the per share exercise price of the original stock options or SARs.

Director Compensation

The Company compensates its non-employee directors for their service to the Company through a cash retainer in an amount equal to \$75,000 or \$18,750 per regular meeting. In addition, each non-employee director who serves as the chairperson of our Board or of our Compensation Committee or Corporate Governance Committee receives an additional cash fee of \$5,000 per year and the chairperson of our Audit Committee receives an additional \$10,000 per year. Non-employee directors serving as of the date of an annual meeting of our stockholders each receive a grant of restricted stock equivalent to \$75,000 in value on the date of such meeting, vesting over three years, subject to continued service through the applicable vesting date.

The following table sets forth information concerning the compensation of our non-employee directors during the year ended December 31, 2022. Mr. Bailey, Mr. Hite and Mr. Throdahl, each of whom is an executive officer, do not receive additional compensation for their service as a director, and therefore are not included in the table below.

(2) As part of his retirement, the Board approved the accelerated vesting of Mr. Burns outstanding restricted stock grants. The total number of shares subject to the acceleration was 3,092.

The non-employee director compensation policy was revised by the Board, effective as of January 1, 2023, in order to increase: (a) the equivalent value of the annual restricted stock grant made on the date of each annual meeting of stockholders from \$75,000 to \$90,000; and (b) the cash quarterly meeting fee from \$18,750 per quarterly Board meeting attended to \$22,500 (representing an aggregate of \$90,000 if all such meetings are attended).

PROPOSAL 2
ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Company has designed its executive compensation to attract, motivate, reward and retain the senior management talent required to achieve our corporate objectives and to increase long-term stockholder value. We believe that our executive compensation program is designed to reward results relevant to our short-term and long-term success based on both corporate and individual performance.

The Securities and Exchange Commission has adopted requirements commonly referred to as the “Say-on-Pay” rules. As required by those rules, the Company is presenting the following proposal, which gives you as a stockholder the opportunity to endorse or not endorse our pay program for our executive officers identified in the Executive Compensation section of this proxy statement by voting for or against the following resolution (a “say-on-pay” vote). While the vote on the resolution is advisory in nature and therefore will not bind us to take any particular action, our Board intends to carefully consider the stockholder vote resulting from the proposal in making future decisions regarding our compensation program.

“RESOLVED, that the stockholders approve the compensation of the Company’s executive officers, as disclosed in the Executive Compensation section contained in the proxy statement, including the compensation tables and the related narrative disclosures.”

Required Vote of Stockholders

The affirmative vote of a majority of the votes cast by holders of common shares who are present in person or by proxy at a meeting at which a quorum is present is required (on a non-binding advisory basis) to endorse the compensation of the Company’s named executive officers pursuant to Proposal 2.

Our Board recommends that you vote FOR approval of the resolution approving the compensation of our named executive officers (Proposal 2 on the proxy card).

PROPOSAL 3
ADVISORY VOTE ON THE FREQUENCY OF THE VOTE ON
EXECUTIVE COMPENSATION

As required by the “Say-on-Pay” rules, the Company is presenting this proposal, which gives you as a shareholder the opportunity to inform the Company as to how often you wish the Company to include a say-on-pay proposal, similar to this year’s Proposal 2, in our future proxy statements (a “say-on-frequency” vote). While this say-on-frequency vote is advisory in nature and therefore will not bind us to adopt any particular frequency, our Board intends to carefully consider the shareholder vote resulting from the proposal in determining how frequently we will hold “say-on-pay” votes.

Stockholders have the choice to vote for one of the following choices, as indicated on the proxy card: to hold the advisory vote on executive compensation every third year (“3 Years.” on the proxy card), every other year (“2 Years.” on the proxy card), or every year (“1 Year.” on the proxy card), or to abstain from voting.

Please mark your proxy card to indicate your preference on this Proposal or your abstention if you wish to abstain. If you fail to indicate your preference or abstention, your shares will be treated as though you chose to abstain on this proposal.

Our Board values constructive dialogue on executive compensation and other important governance topics with our stockholders. The Company’s executive compensation program is designed to support long-term value creation, and an advisory vote every three years, or a triennial vote, will allow stockholders to better judge the Company’s executive compensation program in relation to its long-term performance. In addition, our Board believes a triennial vote will provide an effective way to obtain information on stockholder sentiment about our executive compensation program by allowing adequate time for the Company to respond to stockholders’ feedback and engage with stockholders to understand and respond to the vote results. Our Board therefore recommends that stockholders vote FOR the “every third year” alternative (the box for “3 Years.” on the proxy card).

Required Vote of Stockholders

Stockholders are not voting to approve or disapprove the recommendation of our Board with respect to this issue; rather, they are casting votes (on a non-binding advisory basis) for which of the three alternatives they prefer. A plurality of the votes cast on this Proposal will determine the frequency selected by the stockholders.

Our Board recommends that you vote FOR the "every third year" alternative as to the frequency of future advisory votes on executive compensation (the "3 Years." box in Proposal 3 on the proxy card).

REPORT OF THE AUDIT COMMITTEE

Our Board adopted a charter for the Audit Committee in 2017. The Audit Committee charter is available under the Investors/Corporate Governance page of our website, www.orthopediatrics.com. The charter states that the purpose of the Audit Committee is to oversee the Company's accounting and financial reporting processes and the audits of the Company's consolidated financial statements and internal control over financial reporting. It is not, however, the Audit Committee's responsibility under the charter to prepare and certify the Company's financial statements, to guarantee the independent registered public accounting firm's report, or to guarantee other disclosures by the Company. Audit Committee members are not employees of the Company and are not performing the functions of auditors or accountants. The Board has designated Mr. Hughes as an "Audit Committee Financial Expert."

Independence of Audit Committee Members

The Audit Committee is currently comprised of Mr. Hughes, Mr. Riccitelli, and Mr. Schlotterback. The Board has determined that each such member is independent, as that term is defined by Nasdaq listing requirements that are applicable to the members of the Company's Audit Committee. As discussed previously, Kevin L. Unger resigned from the Board effective April 28, 2023. For purposes of this Report of the Audit Committee, Mr. Unger, who was a member of the Audit Committee prior to his resignation, was also determined to be independent under the same applicable requirements.

Review with Management and Independent Accountants

Management is responsible for the Company's internal controls and its accounting and financial reporting processes. The independent registered public accounting firm is responsible for performing an audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and to issue a report thereon. The Audit Committee's responsibility is to oversee these processes.

In this context, the Audit Committee has met and held discussions with management and with Deloitte & Touche LLP, the independent registered public accounting firm for the Company, with respect to the Company's consolidated financial statements for the calendar year 2022. Management represented to the Audit Committee that the Company's consolidated financial statements as of and for the year ended December 31, 2022, were prepared in accordance with U.S. generally accepted accounting principles, and the Audit Committee has reviewed and discussed these consolidated financial statements with management. The Audit Committee discussed with the independent registered public accounting firm matters required to be discussed by the Public Company Accounting Oversight Board's Auditing Standard No. 1301 (Communications with Audit Committees).

The independent registered public accounting firm also provided to the Audit Committee the written disclosures required by Public Company Accounting Oversight Board (PCAOB) Rule 3526, and the Audit Committee discussed with the independent registered public accounting firm that firm's independence. The Audit Committee also considered whether the independent registered public accounting firm's provision of non-audit services to the Company is compatible with maintaining that firm's independence.

Based upon the discussions and reviews referred to above, the Audit Committee recommended to our Board that the consolidated financial statements referred to above be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2022.

Bryan W. Hughes, Chairman

Samuel D. Riccitelli

The mortgage is secured by the related real estate and building. The mortgage balance was \$0.9 million and \$1.0 million as of December 31, 2022 and 2021, respectively.

PROPOSAL 4
ADVISORY VOTE ON THE APPROVAL OF THE APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

In accordance with its charter, the Audit Committee of our Board has selected the firm of Deloitte & Touche LLP, an independent registered public accounting firm, to be the Company’s auditors for the fiscal year ending December 31, 2023, and our Board is asking stockholders (on a non-binding advisory basis) to approve that appointment. We are not required to have the stockholders approve the selection of Deloitte & Touche LLP as our independent auditor. We nonetheless are doing so because we believe it is a matter of good corporate practice. If the stockholders do not approve the selection, the Audit Committee will reconsider the retention of Deloitte & Touche LLP, but ultimately may decide to retain Deloitte & Touche LLP as the Company’s independent auditor. Even if the selection is approved, the Audit Committee, in its discretion, may change the appointment at any time if it determines that such a change would be in the best interests of the Company and its stockholders.

Before selecting Deloitte & Touche LLP, the Audit Committee carefully considered that firm’s qualifications as an independent registered public accounting firm for the Company. This included a review of its performance in prior years, including the firm’s efficiency, integrity and competence in the fields of accounting and auditing. The Audit Committee has expressed its satisfaction with Deloitte & Touche LLP in all of these respects. The Company has been advised by Deloitte & Touche LLP that neither it nor any of its associates has any direct or material indirect financial interest in the Company.

Deloitte & Touche LLP served as independent registered public accounting firm for the Company with respect to the audits of the Company’s consolidated financial statements for 2022 and has been engaged by the Company’s Audit Committee to serve as independent registered public accounting firm for the Company with respect to the audits of the Company’s consolidated financial statements and internal control over financial reporting for 2023. Representatives of Deloitte & Touche LLP will be present at the annual meeting, will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

Under these SEC rules, the requirement for advance Audit Committee approval of services (other than audit, review or attest services) is waived if they were not recognized to be non-audit services at the time that the independent registered public accounting firm was engaged to provide those services, and certain other conditions are satisfied. None of the services of Deloitte & Touche LLP that were covered by the fees described above were performed without the prior approval of the Audit Committee (or the prior approval of a member of the Audit Committee acting under delegated authority) in reliance upon this waiver provision of the SEC rules.
